

APRIL 2026

First Spiritual Church of West Allis

Second Quarter Newsletter

Let's Catch Up

While our first-quarter newsletter didn't make it out as planned, we certainly have a lot of exciting updates to share.

In the final quarter of 2025, our church experienced a transition in administration and pastoral committee. This shift has opened the door to new opportunities and renewed vision for our place of worship. As part of this transition, our regular services moved from Saturday in-person gatherings to Wednesday evening Zoom services at 6:00 PM (be sure to check our website for the link).

During this time, we've also been working diligently with the City of West Allis to prepare for the return of in-person services at our new location—and we're thrilled to say that progress has been strong. We collaborated closely with the City of West Allis to secure all necessary permits.

This ensuring a smooth path toward reopening our doors for in-person service.

We also hosted our Second Annual Vendor Fair on March 7. What a success it was!! With 20 incredible vendors that took part, the event not only brought our community together but also helped raise funds for the church.

To top it all off, we received the keys to our new space in March, marking a major milestone in our journey back to in-person services. Be sure to check the events calendar in this newsletter or visit our website for updates on our official reopening date. Wednesday services still will continue because without them we wouldn't have the new members we have today.

What an incredible amount of progress in such a short time.

Our New Space

Let's talk about what's new! Our new location is at
