

FIRST SPIRITUALIST CHURCH AT THE UNITY CENTER FALL NEWSLETTER 2025

It seems as though we were just anticipating the warm weather of summer. Now we are coming to the end of the warm weather and we are transitioning into fall. As Spiritualists we know that we are eternal beings, going through experiences in our physical lives which help us grow spiritually. As we watch for each leaf to change color and fall, we can imagine that the leaves are the experiences of this year so far.

What have we learned? Some of the experiences may have come back in similar forms, and we can recognize them with a smile. Saying thank you for the experience and look for the next experience. Some experiences may have been brand new. Enjoy your tree of learning and knowledge. Understand that your tree is unique to you and your needs for learning.

Blessings and Peace,
Susan Messinger, CH
Pastoral Committee Chairperson

WE HAVE HAD A BUSY SUMMER AT THE FIRST SPIRITUALIST CHURCH!

We were thrilled to welcome Reverend Martina Schmidt as our special guest in August. She traveled from Missouri to be with us. On Saturday, August 16th, she led a Gallery Reading, and on Sunday, August 17th, she taught the class "From Psychic to Medium." Both events sold out, and a total of over 80 guests joined us for the weekend!

DID YOU KNOW?

Arthur Conan Doyle

Famous for penning the stories of Sherlock Holmes, Doyle and his wife were avid spiritualists. He wrote several articles for British spiritualism publications and enthusiastically took part in séances.

His wife, Jean, performed "automatic writing" (also called "spirit writing") where a person writes words on paper unconsciously, allowing spirits to communicate through them.

Special thanks to all of our
wonderful volunteers who help keep
our church running smoothly.
